Forwarded to the Asst. Secy. L.S.G. Branch ~~[illegible]~~ the accompanying extract relating to the Dewan's replies to the addresses.

16/10/22

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

2065

Extract from the Dewan's reply to the address presented by the Tumkur Municipal Council.

Med 63-22-1

The Maternity question is not a very difficult matter but when the proposal to construct a Maternity was first mooted, the difficulty about a site arose and the cost of the site to be acquired was estimated at Rs. 10,000. This together with the P.W. estimate for the maternity, made the proposal at that time prohibitive. I understand now that the Senior Surgeon has approved of an extension to the present Female Dispensary to accommodate 12 in-patients with the necessary Labour and out-houses at an estimated cost of Rs. 11,000. The District Board and the Municipality also, I understand, have promised to contribute their quota. If the position is as stated by me, then I have no doubt that ---- Government will also come forward with their quota to make this revised scheme an accomplished fact in the near future.

7 In Endo No. 7271-8/ Med 4-8-17-12 C&A
dated the 29th June 1918 sanction was accorded to the Conversion of the female dispensary at Tumkur, Shimoga and Chikmagalur into small maternity Hospitals and in letter No 4263/ Ind 96-18-3 dated the 28th Sept 1918 the D.C. Tumkur was informed that the Quota of Ind Contribution for the working for that year should in the first instance be met by a reappropriation of the Year's grant under P.W. Public Works Original works &c. further action if any taken in the matter does not appear & have been intimated to Govt. Draft letter to the Senior Surgeon Bangalore for approval or other orders Ex. 25/10/22 Issue dt 30/10/22

of a Maternity ward in the Hospital Compound would be forwarded to Govt as soon as they are received from the Executive Engineer, Tanjore Div. Submd for orders. If approved a further report will be awaited from the Senior Surgeon on the subject, after perusal of the Senior Surgeon's present letter by the 2nd Member of Council & Dewan.

C.G.P.
23/2/23

The present report does not say anything about the extension of the existing female Dispensary for providing accommodation for labour cases referred to in the Govt's reply to the Municipal address. This idea has perhaps been given up, and the proposal is now to have the female Dispensary & the Maternity ward within the compound of the Dist. Hospital as now reported in the paper under disposal.

A further communication may be awaited.

OFFICE OF THE SENIOR SURGEON IN MYSORE,

BANGALORE, DATED, FEBRUARY 20TH 1923.

2/22

No. C 2637-22 of 21-22.

med 63-22-3

From DR. H.B. MYLVAGANAM, F.R.C.S., (Eng).,
Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To T.E. Jeyarama Iyer, Esq., B.A., B.L.,
Secretary to the Government of H.H. the Maharaja
Of Mysore, Revenue Department, B a n g a l o r e.

21 FEB 1923

Sir,

With reference to your letter No. L.5232 Med.63-22-2, dated the 23rd January 1923 regarding the construction of a Maternity at Tumkur, I have the honour to state that - plans and estimates for Rs.475 for slight alterations and improvements to the District Hospital building to make it suitable for shifting the Female Dispensary thereto, were received from the Executive Engineer and sent to the Chief Engineer of Mysore for sanction. From the District Medical and Sanitary Officer's reference, it is gathered that improvements are being carried out and may be completed by the end of this month, when the Female Dispensary will be transferred to the District Hospital building.

During my last visit to Tumkur on the 6th November 1922, the question of opening a Maternity ward at an early date was considered with the Presidents of the District Board and town Municipality and a suitable site was selected within the District Hospital premises. A draft plan was sent to me by the Executive Engineer, Tumkur Division for approval and it was returned to him ~~for~~ duly approved for submission with the estimate. As soon as the plan and estimate are received they will be forwarded to Government.

I have the honour to be,
Sir,
Your most obedient servant,

H.B. Mylvaganam

VAM-ASN. Senior Surgeon.

"EXTRACT"

President,
Tumkur Town Municipal Cl.

17.

Copy of letter No.C.2090-1 dated 21-4-23 from the Senior Surgeon in Mysore, to the Executive Engineer, Tumkur.

With reference to your letter No.11,2, dated 10-4-23, I have the honour to state that although the original design was approved by me, on actually examining the inked plan now sent by you, I find that the dimensions of the rooms do not allow enough space for the cots. In a hospital ward, there ought to be a clear space of 1½ to 2 feet between the cots and the wall and of about 3 to 4 feet space between adjacent cots to avoid discomfort to patients and to admit of free and quick movement of the attendants. The windows should be located between cots to allow of free ventilation and avoid direct draft. Each window or door must have a corresponding window or door or ventilator on the opposite side for free ventilation. Keeping these points in view, the width of the side rooms has to be at least 20 feet. A rough sketch embodying these points is enclosed, with a request that a revised plan and estimate may kindly be prepared.

It will facilitate the disposal of the matter if the Presidents of the Dist. and Municipal Boards and the Dist. Medl. Officer and yourself meet at the spot and on their agreeing to the plan and estimate, their countersignatures are also obtained in token of their approval and the papers sent on to me finally, for obtaining the sanction of Govt.,

I am addressing the Deputy Commissioner and the Dist. Medl. Officer and the President of the Municipal Council to personally interest themselves in the matter.

The enclosures received with your letter are all returned.
